Grow Learn Achieve

Wednesday 19th April 2023

## Term 4

Welcome back to term 4, I hope everyone had a restful holiday.

## Projects this term

This term P1-4 are using the context of Castles for learning and p5-7 are learning about the Scottish Wars of Independence. P1-4 will be visiting Leith Hall as part of learning.

Later in the term each class will have a focus on farming. Anyone who works within farming/agriculture we would welcome your input; this helps us link with our local community and part of the curriculum called 'World of Work'. Please speak to the class teacher or complete the link [here](#).

## P1/2 Café

Thank you to parents/carers for attending P1/2 community café. The pupils all enjoyed sharing some of their learning and having a fly cup and fancy piece with mum/dad afterwards.

## P5/6/7 Café

Primary 5/6/7 will be hosting a Coronation Community Café on Friday 5<sup>th</sup> May for parents, carers and friends. This will be from 11am-12noon.

## Health Week Monday 19<sup>th</sup> -Friday 23<sup>rd</sup> June

In June we will be running a health week in school. There will be a focus on active healthy bodies and healthy food choices.

We would welcome partnership with parents to facilitate this in school. Anyone who works in healthcare/fitness/jobs that involve helping others, we would love to have your input. This links to part of the curriculum called 'World of Work.' We would be looking for anyone who is happy to talk about their jobs or even help run some fun fitness activities with us.

If you feel you have something to offer, please use the link [here](#) to register.

## Theatre Trip

The whole school will be visiting HMT in Aberdeen to see 'The Demon Dentist' on Friday 23<sup>rd</sup> June. Most of this trip will be funded through fundraising by the Parent Council and is an excellent opportunity for all to experience a live performance in a theatre. Further information and details will be provided in due course.

## P5-7 Bikability Cycle Training- Levels 1 and 2

This term we will be offering Bikability Cycle Training to Primary 5/6/7. It is important that your child has a road worthy bike as cycle safety checks will be completed before training starts. A booklet for parents will be sent home for every family where you will find the information needed.

Bike checks will be on Friday 5<sup>th</sup> June. Training will start the following week. Dates and times will be provided closer to the time.

## Spare Clothing

We are still looking for some spare clothing to use in emergencies in school. If you have spare trousers or leggings in good condition that your child has outgrown, we would appreciate the donation because our spare clothes box needs replenished.

## Next session classes

We have two entrants into P1 next session. Our predicted roll will be 43. This will mean we will have two classes next session. Specific information regarding this will be given towards the end of the term.

## Transition Dates/Visits

Alford	12 <sup>th</sup> -16 <sup>th</sup> June
Inverurie	13 <sup>th</sup> -15 <sup>th</sup> June
The Gordon Schools	Mon 26 <sup>th</sup> or Tues 27 <sup>th</sup> /28 <sup>th</sup> -30 <sup>th</sup> June
