Grow Learn Achieve

Tuesday 23rd August

Welcome Back

A warm welcome to staff and pupils to the beginning of the session. I hope everyone managed to have a safe and restful summer break.

Staffing update:

We welcome some new members of staff to our team this session. Ms Metson is joining our teaching staff and will be teaching P1-2. P2 pupils had the opportunity to meet Ms Metson before the holidays. Mrs McWalter will be teaching in P1-2 on Monday afternoons and Tuesdays. In P3-4 we welcome Miss Fowlie who will be part of our team on a temporary basis while Miss Grant is on secondment. We have a slight increase this session for our support staff hours and Mrs Paul, PSA, will be joining our staff team on Wednesdays.

Mrs Anderson will continue to provide targeted PSA support each morning; this is funded through PEF which the school benefits from.

Ms Taylor will be teaching PE on Friday mornings. Mr Baird will be teaching Art on Tuesday morning and Mr Main will return to teach Music on Thursday afternoons.

** Please note not all classes will have all three teachers as their time in school covers class teachers' non class contact time. **

Arrival to and Departure from School

From a safety point of view, we will keep our arrival and departure to school the same as previous years. Pupils should arrive to school by the safe route through the park. Please be mindful when crossing the car park that taxis will be arriving and that our neighbours at the schoolhouse have vehicular right of way.

At the end of the day pupils will be escorted to the park by their class teacher. Please let school staff know if your child is being met by someone else.

Learning in Class

We are very excited that the first leg of The Tour of Britain will pass though Premnay on Sunday 4th September and right past the school. With this in mind, the pupils will be involved in some STEAM(Science, Technology, Engineering, Art, Maths) learning linked to this.

Tempest Photography – Tuesday 6th September

The school photographer will be in school on Tuesday 6th September for individual and class photographs.

PE

P3/4 and P5/6/7 will have PE with Ms Taylor on Friday mornings. PE kits should be worn, school clothes can be brought to change back into.

All classes should bring outdoor shoes for PE sessions during the week. P1/2 will not need PE kits this term but should be prepared for daily outdoor activities.

Indoor Shoes and Coats

Pupils will have breaks outside as much possible, even in damp conditions. Therefore, all pupils should have indoor shoes to change into and bring a waterproof jacket to school.

Kind Regards,

*Marsali Fraser
